## CHANGING SCENES

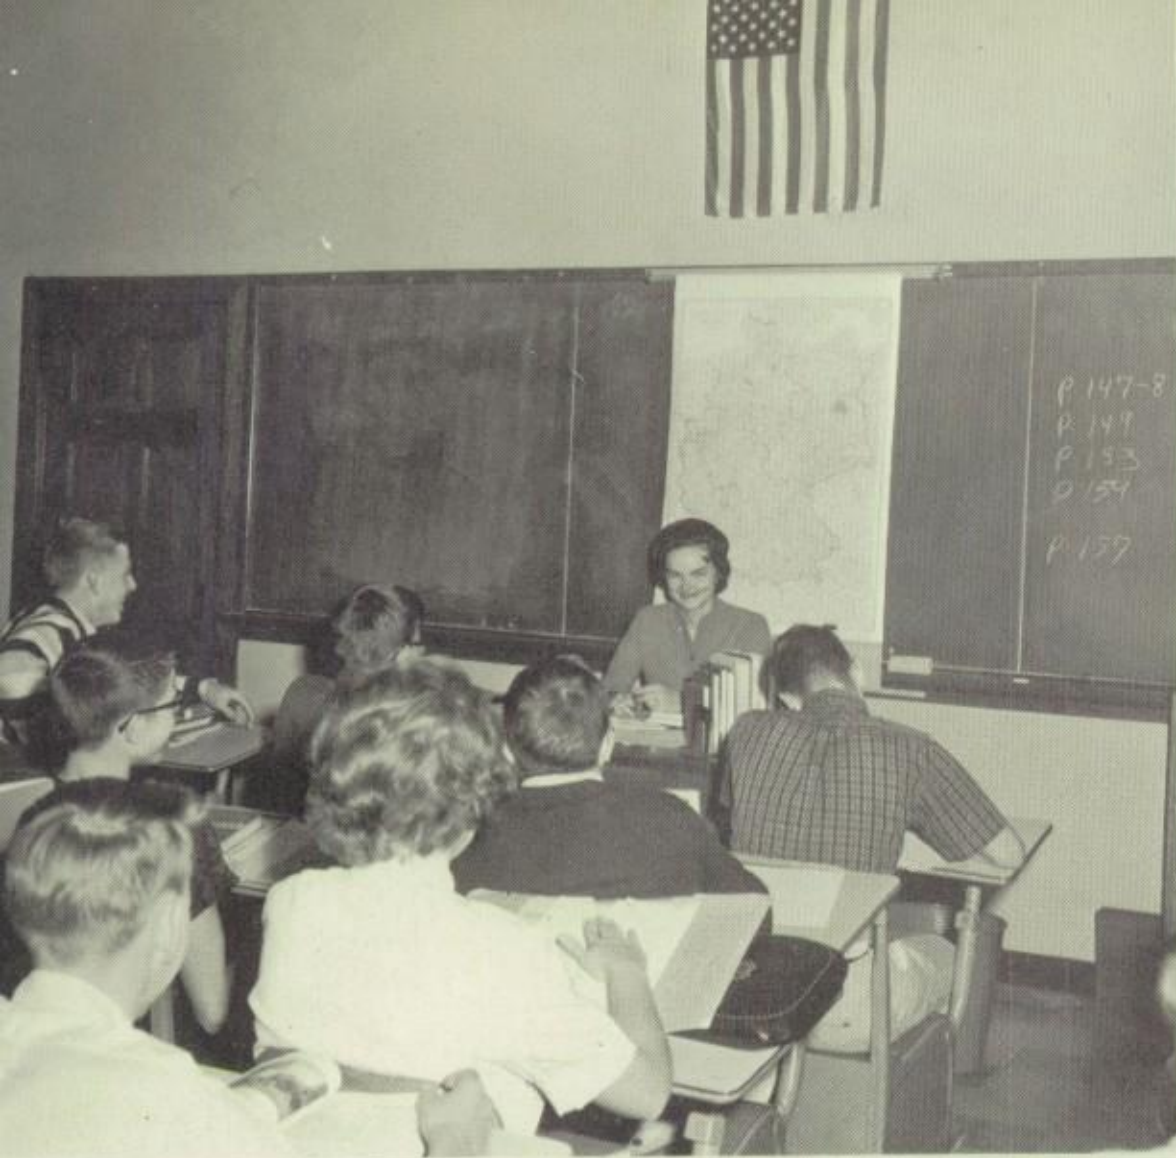

SPRINGFIELD HIGH SCHOOL  
101 SOUTH LEWIS

"In Change, therefore, there is nothing supernatural: on the contrary, it lies in the very essence of our lot and life in this world. Today is not yesterday; we ourselves change; how can our Works and Thoughts, if they are always to be the fittest, continue always the same? Change, indeed, is painful; yet ever needful; and if Memory have its force and worth, so also has Hope.

"In the long history of the world, only a few generations have been granted the role of defending freedom in its hours of maximum danger. I do not shrink from this responsibility—I welcome it. I do not believe that any of us would exchange places with any other people, or any other generation. The energy, the faith, the devotion which we bring to this endeavor will light our country and all who serve it—and the glow from the fire can truly light the world."

On the following pages is the story of the students of Springfield High School. But the classes, games, and special events are not the whole story. Behind these pictures and words is the influence of our parents, who have given us the moral support and guidance which were responsible for the success of the school year. Because of their encouragement and interest, studying has been easier, sports enthusiastically supported, and extracurricular activities meaningful. Without these parents, neither the re-finished stage nor the homecoming floats would have been possible. To express our appreciation, we dedicate the **1964 Capitoline** to you, our parents.

## SCHOOL BOARD

The **Board of Education** represents the citizens of the district in matters pertaining to policy and finance of the Springfield Public School System. This year after making a careful study of our present educational system, the board revealed to the citizens the additional needs which are necessary for a better school system. An extensive study of the vocational training programs was conducted and improvements in this area were made. At our school, the redecorating of the cafeteria and the remodeling of rooms to make additional classroom space were projects of the board to more efficiently utilize our available space. These are indications of the consistent effort by the school board to make S.H.S. and the other Springfield schools the finest schools possible.

*Best of Luck  
Frank Frankowiak*

The most important single ingredient to the make up of any school is a student body that is diligent, dedicated, and disciplined. During my first year at Springfield High School, I have seen evidence of this diligence, dedication, and discipline. And because of this I am even more confident that Springfield High School deserves its outstanding reputation.

I wish to commend the senior class for its acceptance of leadership responsibilities in maintaining our fine reputation. I hope the pattern they have established will continue to be the pattern for future classes. I am certain that it will. Students at Springfield High School have an example of leadership set for them by capable teachers and a hard working staff. These people stand ready to assist at all times.

By working together as students, teachers, and administrators, we can lead Springfield High School to even greater heights and can experience as individuals a feeling of personal accomplishment.

## COUNSELORS

Margaret Hausen—Sophomores

In addition to welcoming two new Counselors to Springfield High, the school also initiated an entirely new guidance system. Because of the revision of a room into a Counseling Center and because of the transfer of equipment to the room, the counselors were better able to accomodate the students concerning vocational studies and college policies. The unification of the system was achieved also because each counselor was in charge of all the boys or girls of a single class. The problems and demands of the class were thus specifically known by the class counselor. With this modernization of the counseling system came greater efficiency and more continuity between the students and the counselors.

## LIBRARY

Operating under the supervision of Mrs. Szabo, Mrs. Halberg, and Mrs. Weisiger, the Library expanded its facilities to enable it to acquire a high status in the rank of school libraries. With a supply of over 10,000 books and subscriptions to seventy-five major magazines, it has been able to more satisfactorily fulfill the academic needs of all the students. This year a new system was instituted. A machine, which aided in making the book check out procedure much faster, was used to increase the efficiency of the library. With this new plan, the library hopes to initiate a program to provide for greater facilities for future students.

## ENGLISH

Myron Taylor

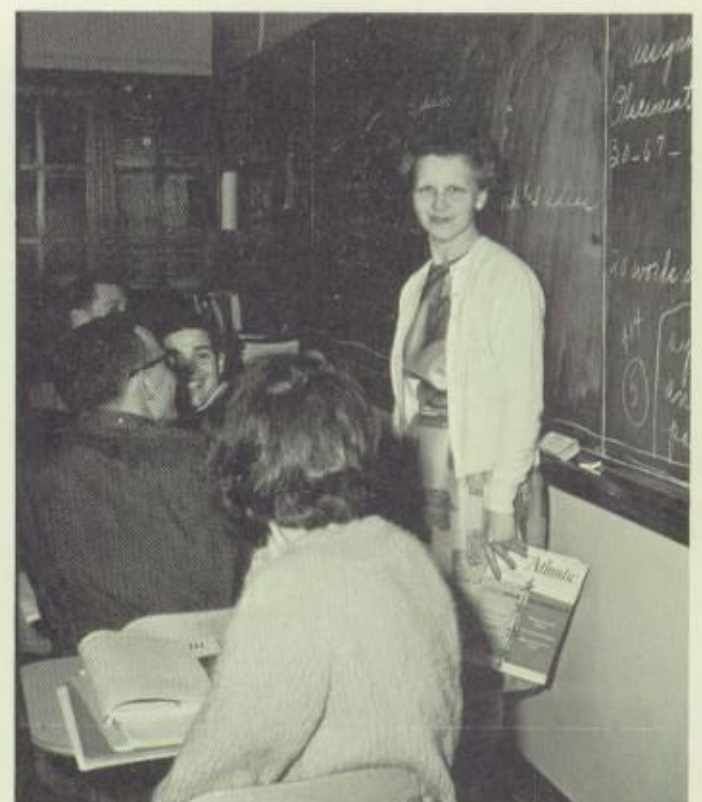

Recognizing the importance of self-expression, the Springfield High School English Department offered courses in composition. To improve the student's use of the English Language, the department included detailed courses in the study of grammar. A second phase of the English Department's curriculum consisted of literature courses. In English, World, and American literature classes, students learned to interpret the basic philosophies of the authors and to comprehend the basic purposes of the literary works. In addition, to encourage personal expression and to teach new speaking techniques, courses in dramatics and speech were taught.

## SOCIAL SCIENCE

Designed to provide the student with a comprehensive background in the humanities, the **Social Science Department** is improving its established curriculum and expanding into new areas. In addition to courses in the fields of history, economics, world affairs, civics, and geography, a semester of sociology is now offered, and a new course, Modern European History, has been recommended for the coming year. The cooperation between the History and English Departments on grading the senior research papers has demanded an even greater quality of work from the students. Also, the department has continued the advanced American History course, designed to be on an equal level with corresponding college work.

## FOREIGN LANGUAGE

While developing skills in pronouncing, listening, reading, and grammar, students of language acquire a knowledge of the cultural and social differences of foreign peoples. This year the **Foreign Language Department** offered classes up to fourth year Spanish, second year German, fourth year Latin, and fourth year French. In addition, the department incorporated some of the newest teaching methods including the language laboratory which aided in perfecting the student's comprehension and speaking ability.

## FINE ARTS

*Some of the things you can do in the Fine Arts Department are:*  
The aim of the Fine Arts Department is to give students a background in all phases of art and music. It could be divided into four major areas: Vocal Instruction, Orchestra, Band, and General Art. This year the Vocal Department, under the direction of Mr. Spreckelmeyer, consisted of the A Cappella Choir, the Advanced Girls' Choir, the Mixed Choir, the Sophomore Girls' Choir, and the Singing Seven. These groups presented two concerts a year. In addition, the A Cappella went to the Big Twelve Festival and to the All-City Music Festival. This group also performed at the city's junior high schools, and they presented an annual Mid-Winter Program. The Singing Seven gave approximately forty concerts this year. The Orchestra, directed by Mr. Bowen, also had a busy schedule this year. They gave a concert under the dome of the Capitol Building, and the group attended the Big Twelve Festival and the All-City Music Festival. The third organization in the music department, the Band, under the instruction of Mr. Conaway, gave between twenty and thirty concerts. These performances included athletic events, parades, and formal concerts. The Fine Arts courses encouraged both group and individual participation, and the program helped to train the students to think creatively.

In addition to its biological program of biology, zoology, botany, and physiology, the **Science Department** offered a curriculum highlighted by an extensive study of the physical sciences of physics and chemistry. With its science laboratories and technical equipment, the department opened to students a field of intense complexities. In the biological study program, the students learned about the many phases of plant and animal life. With its many able teachers, this department offered to the students extensive study in many aspects of the field of science.

## MATHEMATICS

This year Springfield High School was proud to welcome four new teachers to the **Mathematics Department**. This department strived to improve its program and to meet the needs of each student. Numerous meetings and conferences were held each month to discuss teaching methods, the latest college requirements, and other points of view. In addition, the Math Department acquired a new computer which the teachers found exceedingly helpful for statistics. This machine was made available through the Title Three National Defense Education Act. Another new aspect concerned the instruction of algebra. This year modern algebra was approached through the School Mathematics Study Group's materials used in four junior classes. This course was designed to better prepare the students for the language of modern mathematics.

# INDUSTRIAL ARTS

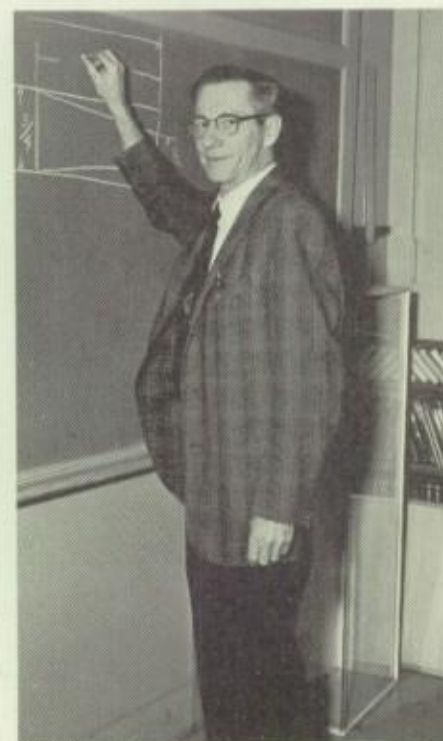

The Industrial Arts Department helped the students who planned to go on with more advanced vocational courses. The department was divided into four parts: graphic arts, general metals, mechanical drawing, and fundamentals of printing. They learned to set type, operate the press, and actually print materials such as the newspaper and the school schedules. The general metals department taught the operation of the basic tools of metal working, and the course in mechanical drawing offered instruction in architectural and mechanical drawing. Students in the woodworking department learned to cut and finish wood and to also recognize the different types of wood.

The **Business Department** aims to prepare students in skills needed for personal use. Furthermore, it attempts to give adequate background to a student who wishes to attain higher proficiency in business subjects through study in a college or business school. It is the department's intention to do all it can to help young people prepare themselves to enter the world of work with skills and services demanded by up-to-date business and industry.

# HOME ECONOMICS

During the school year, the Springfield High School Home Economics Department studied such things as the preparation of nutritionally balanced meals, the selection of fabrics and home furnishings, and the training of children. Under the direction of Mrs. Nesbitt and Mrs. Hyde, the students studied the various aspects of family life, and learned the basic skills of general homemaking.

# PHYSICAL EDUCATION

The development of understanding habits, and attitudes necessary to maintain physical and mental effectiveness was the goal which the Physical Education Department strived to accomplish. During this year's gym classes, students were instructed in many athletic activities such as basketball, track, volleyball, and tumbling. In addition, the department offered courses in bowling and swimming. Besides helping to expand skill, the department hopes that it has helped the student attain a sense of good sportsmanship and fair play.

# SPECIAL EDUCATION

William Muelhauser

In addition to the Special Education Department's speech correction program, the school this year initiated a program for the physically handicapped. Headed by Mr. Muelhauser, the resource room teacher, this program enabled the handicapped students to participate in high school life. With a year of success behind them, the sponsors of the S.H.S. program for the physically handicapped hope to carry out an even broader program of accomplishments in the years to come.

# SPECIAL SERVICES

Hilda Blair—Nurse

Working at Springfield High School three days a week, Mrs. Blair, **School Nurse**, was happy with the newly equipped school clinic which functioned more efficiently than the former one. The secretaries in the **Student Office**, Miss Bryant and Mrs. DiAngelo, were very busy from eight to five each school day. Their jobs included such things as issuing locks and lockers and keeping track of all absences. In any high school which has a population of over two thousand students, an efficient office is almost as necessary as a challenging faculty. The **Main Office**, staffed by Miss Atkins, Miss Stringer, and Mrs. Lane, performed the vital secretarial tasks which made the administrative machinery of S.H.S. run smoothly.

These were cleaned before and after regular classes held during the day, night school classes, P.T.A. meetings, and concerts—all of which sometimes fell in one day. The co-operative and efficient group of Springfield High School **Cafeteria Employees** worked conscientiously to supply the students with the type A lunch program of well-balanced meals sponsored by the State of Illinois.

## STUDENT COUNCIL

The essence of this year's **Student Council** could be found in the words participation, action, and improvement. Completing a broad scope of activities including the Can-and-a-Dime drive, the Peanuts for Polio collection, the Hootenany, and the huge Homecoming festivities, the Council achieved greater unification through their concentrated efforts. Again this organization

sponsored the American Field Service Program, and through the Foster Parent Plan, the Council supported a Filipino child. As it does every year, the Student Council published the **Senators Key**, a handbook of S.H.S. rules and activities. Strengthened by their strong efforts to better the school, the Student Council worked for greater continuity among the students of S.H.S.

Edited and published exclusively by students of Springfield High School, the Senator has provided an informative source of reference regarding future activities and past accomplishments. This year the **Senator Staff** worked constantly to put out an edition at regular two week intervals and to highlight each newspaper with a provocative editorial section. Also the staff strived to maintain the fine quality of its feature, sports, and news articles. The dedication of the Senator staff and the fine consistency of newspaper editions has marked this year's school publications.

## CAPITOLINE

The 1963—1964 **Capitoline Staff** worked diligently to compile an interesting yearbook of which the student body can be proud. Under the sponsorship of Mr. Baldrige, the group conducted weekly meetings to plan the book. In addition, each staff member devoted much of his spare time to work for the Capitoline. Planning layouts, taking pictures, and writing copy were only a few of the detailed jobs which the staff had to complete. In addition, many of the staff members attended the annual yearbook convention held early this school year in Champaign, Illinois. The Capitoline staff hopes that they have been successful in their efforts to keep abreast with the latest developments in yearbook journalism.

Members also sold yearbooks and helped with yearbook picture-taking. The members of Junior Capitoline greatly prof-

ited from their year's participation because they gained valuable experience in learning about the production of a high school year book. With this experience behind them, many of the students are looking forward to serving as members of the Capitoline staff.

Interact sponsored the collection and distribution of food baskets during Christmas time, and the members served as errand boys for the T.B. tests given during the year. Also the boys erected signs and

posters to reduce traffic congestion in the school halls. Our school has been greatly benefited by the activities of this club, and the school can be proud of Interact's completion of another highly successful year.

**Les Bas Bleus**, organized over fifty-seven years ago as a literary society for girls of S.H.S., has become one of the most active service clubs of our school. Starting the year with its traditional initiation and reception of new members, the organization continued its activities by selling taffy apples at the football games,

entering a second-prized float in the Homecoming Parade, and presenting many interesting programs at the meetings. With the able supervision of Miss Rasmussen, the Les Bas girls also served S.H.S. by holding a full-scale "Clean-Up" of the school campus and by presenting their annual spring dance.

## JUNIOR LES BAS

Junior Les Bas throughout the year supported the projects of the Senior Les Bas group. Selling taffy apples at the football games, helping in the "Clutter Clean-up," and working as babysitters on voting day were just a few of the projects to which the girls devoted their time and effort. In this way they earned points which will enable them to advance to become Senior Les Bas.

## PHILOS

This year **Philos** had a total enrollment of more than 200 members. In addition to its main project of sponsoring a foster child from Columbia, the group helped with the Animal Shelter, and put in many hours of service for the John Hays Homes. In the Homecoming Parade, Philos had the winning float, which was the first in the history of Springfield to be made entirely of flowers. The ambitious Philos sold popcorn during home football games and they competed with Les Bas in various sports activities.

## ART CLUB

Besides participating in school activities, the **Art Club** has done much to further the member's appreciation and ability in this field. Under the direction of Mrs. Lawrence, the club took numerous field trips to art museums and to exhibits. The Art Club provided special assistance to A Cappella by making scenery for concerts.

## DEBATE CLUB

Meeting once a week with their sponsor, Mr. Hughes, the members of the **Debate Team** prepared for their major tournaments in Bloomington, Carbondale, and Peoria, and for the Big Twelve, sectional, and state meets. At these Monday sessions the team did research, planned debate cases, and held practice debates. The debators gained much valuable experience in discussing the controversial statement: "Resolved: That the federal government should provide complete medical care for all citizens at public expense." The goal of this organization was to promote leadership, speaking ability, and confidence within its members.

## FUTURE SECRETARIES

Sponsored by the National Secretaries' Association, the S.H.S. branch of **Future Secretaries** provided a club for any girl interested in pursuing a secretarial career. Any qualified business education students who were juniors or seniors at S.H.S. and who maintained a C plus or better average were welcome to join. The main purpose of this ever-increasing chapter was to create interest and develop skill and understanding in the secretarial field of work.

## FUTURE TEACHERS

The **Future Teachers of America Club** consisted of juniors and seniors from Feitshans, Lanphier, and Springfield High School. The main objective of the club was to acquaint prospective teachers with all of the aspects of the teaching profession. Attending films and lectures, working on Christmas projects, and observing special teaching methods were only a few of the activities in which the members participated. The Student Observation and Participation program (S.O.A.P.) and the State F.T.A. Convention were the highlights of the year. The S.H.S. advisors, Miss Campbell, Miss Dugan, and Miss Story, fulfilled their promise of a full and exciting year for all members of the club.

## CAFETERIA COUNCIL

The members of the Cafeteria Council of Springfield High School worked diligently throughout the year to provide for greater efficiency in the school lunch program. Holding semi-monthly meetings before school, the Council's programs consisted of work-plans, movies, and guest speakers. The Christmas breakfast again proved a gala affair. The Cafeteria Council also provided beneficial services for their school by buying books for the library and by paying for the lunch of the A.F.S. student. Filling a basket for a needy family was their Thanksgiving project. The responsibility which the Cafeteria Council members undertook and the experience which they gained will prove a value to the individuals as the Council's services proved a value to the school.

ROW 1: Sharon Fagan, Sandra Ford, Sharon Kane, Marilyn Neff, Janet Smock. ROW 2: Lana Twyford, Cheryl Olds, Bonnie Dowell, Lillian Butler, Pam Smith. ROW 3: Miss Jeanne Carmody, Louise Kolp, Judy Haycraft. Absent: Eva Walter, Diane Ayling.

## OFFICE OCCUPATIONS

Through Office Occupations students received both class work and on the job training in every aspect of office work. At eight o'clock to nine-thirty each morning, the members attended a class which dealt with typing, shorthand, and accounting. Then at one-thirty, after their regular academic courses, they left for their respective jobs. This club, affiliated with district and state Office Occupations Organizations, sent delegates to state and district meetings. This past year the group also took their annual trip to Chicago where they saw the workings of modern office equipment.

## DIVERSIFIED OCCUPATIONS

Vocational training for high school juniors and seniors was provided this past year through the program of Diversified Occupations. The participating students received credit for their technical training plus the regular academic courses which were required. This organization provided its students with training in the theory and practice of a trade which will enable them in the future to become leaders in their chosen profession.

ROW 1: Mike Adams, Rose Shipp, Vicki Watt, Arlene Jones, Kay Pighetti, Sharon Kelly, Bev Jones. ROW 2: Ernie Jones, Tom Stelte, Clarence Johnson, Joe Jannzzo, William Keene, Louis Rodriguez. ROW 3: Tom Bretch, Mr. Grove, Dennis Roger, Robert Hellyer, Roberta Kress, Anne Spitzfaden.

# YOUTH FOR CHRIST

Youth for Christ, an interdenominational organization, met every Tuesday after school this past year. Besides the weekly meetings which featured singing, quizzes, speakers, and discussions, the club was very active with the area Y.F.C. Clubs. These area clubs sponsored retreats, Saturday night rallies, singspirations, basketball and softball games, and other special activities. One important event of the year was the annual Holiday Teen Convention in Chicago. There the students benefitted from the interesting speakers and discussions presented to them.

ROW 1: Janine Blasney, Elizabeth Durbin, Arlene Mazzini, Linda Voyles, Sarah Hudson, Pat Rising.  
ROW 2: Nancy Robison, Carolyn Stark, Kerri LeMay, Deanna Trout, Penny Stone, Rosalee Barnosky.

ROW 1: Carol Schmidt, Kathy Drummond, Nancy Ashbaker, Terry Volkmar. ROW 2: Terry Kirk, John Reeves, Bark Andrews, JoAnne Oliver. ROW 3: Jim MacIntoser, Bill Pearson, Jim Johnson, Jim Thompson, Robert Wallman.

## DISTRIBUTIVE EDUCATION

This year Springfield High School's program of **Distributive Education** consisted of two phases: the classroom study and the job training. The aim of the course was to instruct students in the fundamentals of retailing establishments and to enable the students to apply these techniques in their work. For their job training, the students received not only school credit, but they gained invaluable working experience as well.

SEATED: Betsy Friedman, Dianne O'Keefe, Jennie O'Keefe; STANDING: John Bickel, Henry Wolfson, Alan D'Elia, Tom Patton.

## ASSEMBLY COMMITTEE

Early in September, the **Assembly Committee**, advised by Mr. O'Neal, met to select professional performers to appear in the four major school assemblies and to discuss the problem of seating the students. This year the committee was composed of three seniors, three juniors, and two sophomores. The program choices of the committee were based on both educational value and appeal to the students.

## ADVANCED BAND

The **Advanced Band**, under the direction of Mr. Conavay, strived hard to perfect its musical renditions. Always a pleasure to hear, the band presented many programs throughout the year—both for the school and for the community. A concert under the dome of the Capital building and a Christmas program were only two

examples. In addition the band added to the community festivities by playing in a city parade. Practicing an hour each day, the band served its school by its spirited music rendered at home athletic events. With a new peak of perfection achieved, the band completed another successful year at S.H.S.

**PEP BAND:** Ron Fuhrken, Pat Darling, Ray Fairchild, Rod Raker, Bob Shull, Kenn Leckrone, Bill Clark, Rich Shanklin, Bill Bachmann.

## SINGING SEVEN

Chosen for their vocal ability, poise, and personality, the girls of Springfield High School's **Singing Seven** entertained at school concerts and at numerous civic programs as well. Cheerful ambassadors of S.H.S., these seven junior and senior girls and their accompanist spent much time each day in a practice session to perfect their tuneful renditions. Clad in their bright red jumpers and white blouses, the Singing Seven radiated warmth and vitality in all of their presentations. They truly upheld the standards of S.H.S.

## A CAPPELLA CHOIR

During the first part of the year, the A Cappella Choir, composed of eighty selected voices, began practicing for the Big Twelve Music Festival which was held in April. The members also prepared for the Christmas Concert and for the traditional school assembly which centered around a European mountain scene. In March, the choir and the orchestra presented a Mid-Winter Concert which featured Pachelbel's *Magnificat*. After this, the group prepared for the All City Music Festival and gave concerts at all of Springfield's junior high schools. The A Cappella Choir climaxed the year by presenting the annual Spring Concert in May.

# ORCHESTRA

Composed of about forty members, including some Band members, the **Orchestra** presented many programs during the course of the year. A concert under the dome of the Capitol Building, a Spring Program, and a presentation at the Commencement Exercises were among the many concerts. In addition, the Orchestra participated in the Big Twelve Music Festival and in the February All-City Festival.

For the third year in a row, Coach Art Cochran's cross country squad was undefeated in dual meet competition. With senior John Prillaman leading the way, the harriers also had an excellent record in big meet competition. The Senators won the city meet, took second in the Big Twelve, fourth in the Peoria Invitational, second in District and fourteenth in the state. Prillaman, who won both city and district, set a record for the new two mile course with a time of 2:07. Seniors Don Jensen and Bob Laurent, and juniors Al Crouse, Jack Meyers, Randy Hart, and Paul Atwood also had outstanding varsity records.

Coach Robinson's young grapplers gained valuable experience this year and with junior Barry Kaiser showing the way with a win in city meet, show good promise for next year. Seniors Berry Wanless and Dave Sweet finished their varsity careers with good

showings. The wrestlers worked hard every night despite the lack of facilities which forced them to practice on the stage of the auditorium many nights.

Coach Plain's team finished with a good 15-12 record in spite of being plagued by injuries all year. Showing signs of greatness at times, the Senators suffered from inconsistency. They started off strong by winning the consolation bracket at the Pontiac Tournament. Marty Oberman gave a lift after City, but was lost for the Regional Tournament because of a knee injury. With three big junior front liners returning next year and with the addition of a fine sophomore team, including Steve Jurkins, who saw varsity action at the end of the year, Springfield should be a power in the City and Big Twelve next year.

Coach Altizer's basketball team showed great promise for the years to come. At the half-way point of the season, they had a 12-4 record and were tied for first in the Big 12. If they can continue to progress at the rate they are going, they should be strong contenders in the City and Big 12 in the next two years.

Led by Senior Captain Tom Allyn, Coach Waughop's swimmers had a fine year with a 9-1 duel meet record. They also took second place in the Big 12, and fifth in the District meet. It was a record breaking year for the tankers as they broke 12

of 13 team records. Allyn climaxed the season by winning two events in the District Meet, setting two records in the process. With only five swimmers being lost through graduation, next year's team promises to be strong.

## CHEERLEADERS

The 1963-64 S.H.S. cheerleaders have done their best for the spirit of the student body. "Practice makes perfect" is one of their mottos, and they do practice—from the beginning of summer vacation until the end of the basketball season. They strive to encourage the best school spirit in the state, work for entertaining and enthusiastic pep assemblies, and make signs, hoops, and posters for the games. The charming representatives of S.H.S. encouraged our teams and our crowds all season.

## ACTIVITIES

# OPERATION AMIGO

On the morning of October 3, 1963, Springfield High School conducted an outdoor assembly at which the students and the city of Springfield initiated Operation Amigo—a project to promote ties between foreign countries. At this enthusiastic assembly, twenty-five students from Cali, Colombia, arrived to spend two weeks living with an American family and attending school. Sponsored by Copley News Service, Operation Amigo's basic purpose was to acquaint the Colombian students with the basic structure of city and state governments and to enable them to learn of American life by actually taking part in its activities. The schedule of activi-

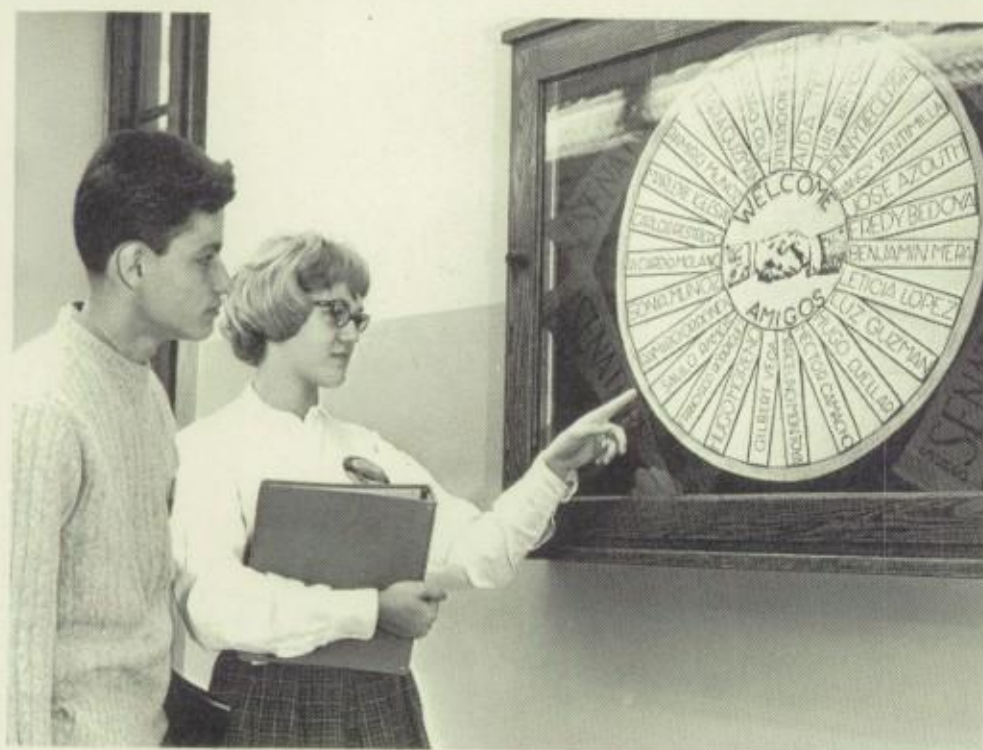

ties for Operation Amigo was diversified and busy. Besides attending S.H.S. classes, the foreign students met Governor Kerner and Secretary of State Carpentier, toured state and municipal buildings and attended a meeting of the City Council. The visitors were luncheon guests of various civic groups such as the Cosmopolitan Club and the Lions Club, and they were entertained at numerous parties and picnics by groups such as the Springfield P.T.A. The Colombian students and those of S.H.S. thoroughly profited from the experience, and it served to strengthen the ties of brotherhood between the nations.

# COLLEGE DAY

**College Day**, sponsored by Interact Club, provided an opportunity for the students to learn more about the colleges in which they were interested. Representatives from forty-five schools of higher education answered questions about the entrance requirements, college curriculums, college size, available housing, and cost of tuition. After questioning the students about prospective career plans, the representatives outlined what their respective colleges had to offer in these fields. College Day was in this way of great value to the students.

## CAREER DAY

After Mr. Charles Marshall of the Illinois Bell Telephone Company delivered a speech at the Career Day Assembly, the students of Springfield High School turned their interests toward the selection of their professions. At the **Career Day**, sponsored by Key Club, the students were given the opportunity to explore the various aspects of many occupations by talking with adult representatives from their respective fields. In addition to inquiring about the nature of any of the forty vocations represented, the students were able to find out about the college courses required to meet the demands of their desired professions.

# SENIOR CLASS PLAY

Under the direction of Mr. Andrews, this year's Senior Class Play included a series of three one-act plays. The first play entitled "The Marriage Proposal," by Anton Tchekoff, was set in the home of a rather well-off old Russian man who could hardly wait to marry off his daughter, who at the end of the comedy marries a worry-wrought hypochondriac. The next play, "Riders

to the Sea," by J. M. Synge was set in an old fishing cottage in Ireland. This short tragedy was about a tired, old woman who had lost all her sons to the sea. "Hope Is the Thing With Feathers" by Richard Harrity, the last of the three plays, dealt with a group of bums who made their homes in Central Park.

# VARIETY SHOW

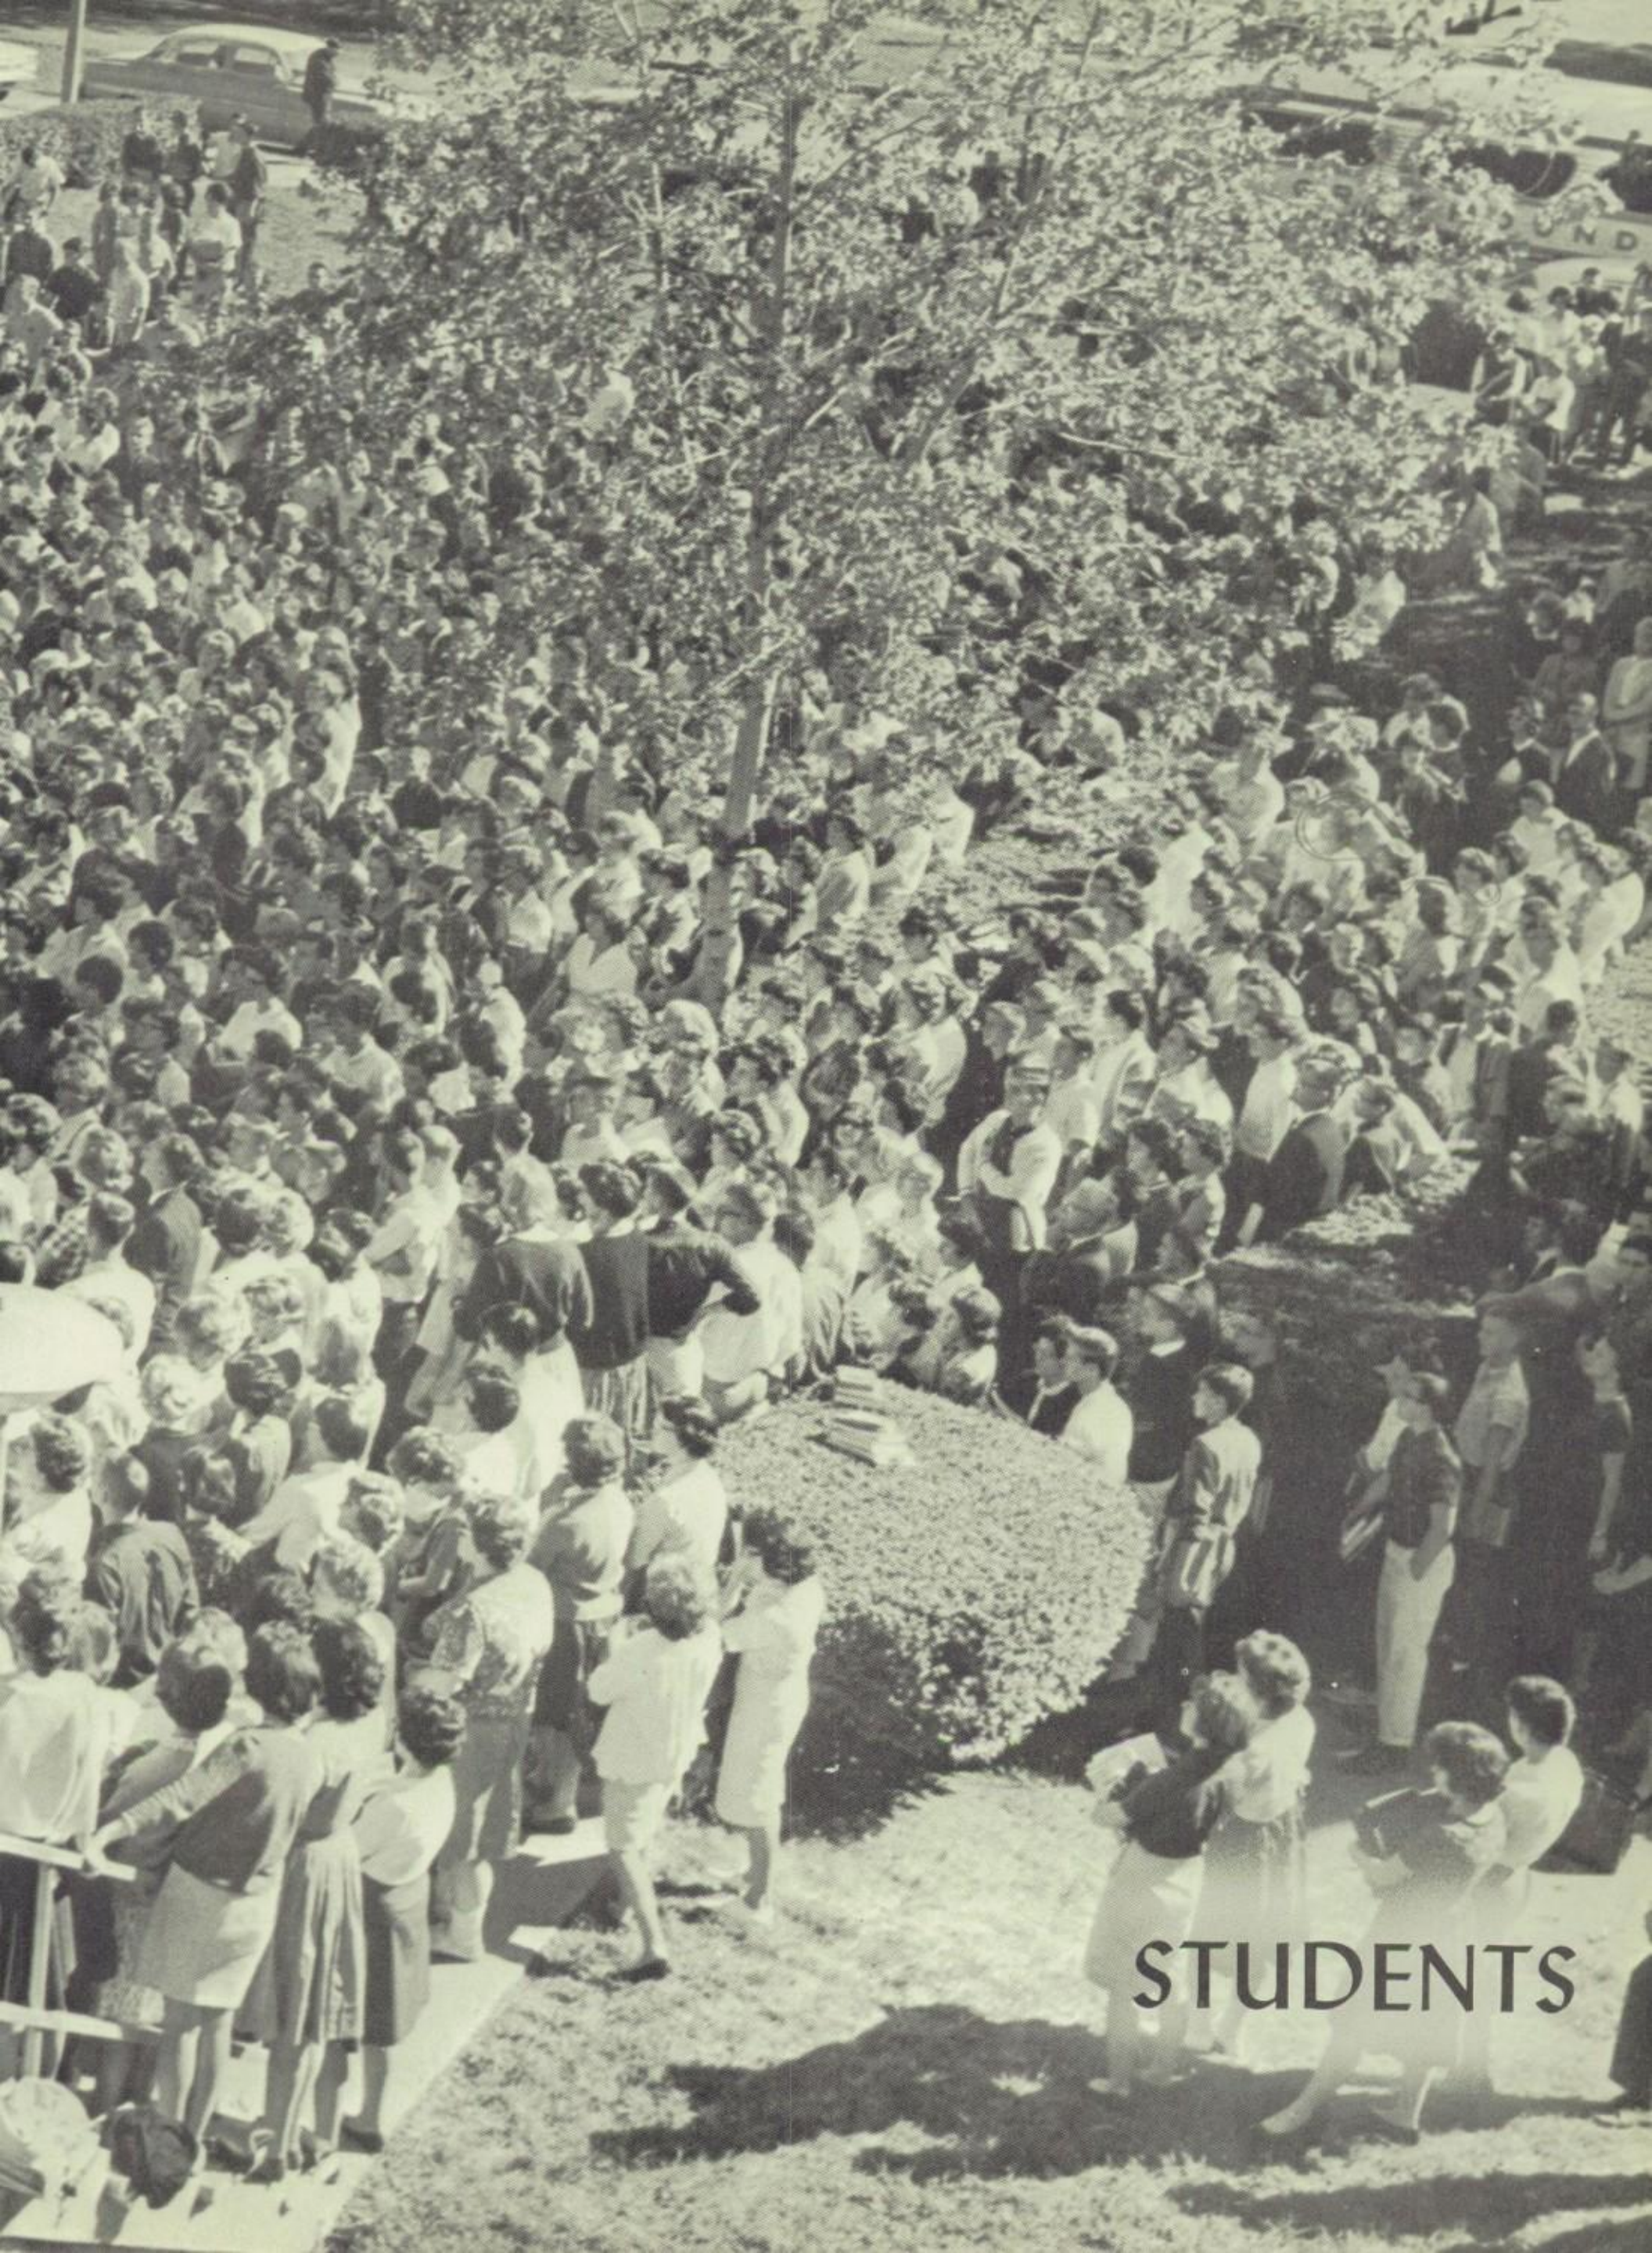

Now an annual event at S.H.S. the 1964 Variety Show, sponsored by the Student Council and presented on February 29, included both a talent revue and a Sadie Hawkin's Dance, which commemorated the leap year. An estimated 800 students were present to view the fifteen varied acts which included folksinging, piano solos, humorous skits, a jazz concert, plus an appearance of Springfield High's own version of the Beatles. Continuing to sponsor the American Field Service, the Student Council used all profits from the program to help exchange students come to our school.

## A. F. S.

### LILIANA RUBINICH

As Liliana Rubenich stepped off the plane in St. Louis late last August, she was greeted by her American Family, the Kings, and she began her exciting year as Springfield High School's foreign exchange student from Roserio, Argentina. Liliana's friendly smile and warm personality soon won her many friends during her busy year here before returning to Argentina to study medicine. Besides participating in many school activities such as Art Club, Les Bas Bleus, Junior Capitoline Staff, and Prom Committee, Liliani found time to discuss her life in her country and her reactions to America before many organizations. We are sure that every S.H.S. students wishes Liliana the best of luck in her future studies and career. Everyone has enjoyed Liliana, not only because of her interesting background, but also because of the friendship she has extended to the students.

### PAULA JUNGKUNTZ

On June 30, 1963, Springfield High School student Paula Jungkuntz left Maimi, Florida, with sixty-five other students to travel to Brazil as a representative of the American Field Service program. After making the trip by chartered airplane, Paula was taken to her new home in the city of Salto in the state of Sao Paulo. Soon Paula became oriented with her new parents, her seven brothers and sisters, and her new way of living.

In looking back upon her summer's experience with the AFS program, Paula gratefully acknowledged the beneficial purposes of the entire exchange student policy. She states that AFS provides the participant with a better understanding of the people, the customs, and the everyday life of those in other parts of the world.

## MAY FESTIVAL

As a project of the Student Council, the May Festival was a means of raising money for our A.F.S. exchange program. Various homerooms, clubs, and the three classes participated in the festival by setting up booths such as a car smash, cake walk,

and a pie throw. The Junior Class raised the most money for its candidate, Kate O'Keefe, who became May Festival Queen. The evening of fun ended with the crowning of the queen and her court and a dance.

Queen Kate O'Keefe makes her entrance.

Ready for the countdown.

The cindermen this year made a fine showing. With seniors Bill Parr, Gary Williams, and John Prillaman showing the way, the track team had a dual meet record of two and one, and an excellent record in big meets. The closest meet of the year, and the most heartbreaking, was the City Meet. A closing rush by S.H.S. fell short by only three points as they lost to Feitshans. Later the team avenged this loss by taking second in the District to Decatur MacArthur. There was a raft of strong juniors and sophomores, including four of the seven boys who advanced to the State Meet in Champaign. This fact, coupled with a strong sophomore team, promises a strong team for next year.

# TENNIS

That wicked serve.

The tennis team this year was one of the strongest in recent years. They finished the year with a perfect record of 9 and 0 in dual meets. In addition, they finished first in the Big Twelve, and second in the District Meet. Singles player Keys Allan and the doubles team of Steve Montgomery and John Thompson; played in the State Meet.

The golf team scored well this year under the direction of Coach Meidel. They placed second in the City Meet and tied for sixth in Big Twelve competition. Bill Rast and Bill Marriott were top players for the year.

## INTRAMURALS

Even at night the school gym buzzed with athletic activity. Intramural basketball teams battled one another for the right to play the Faculty All-Stars. The Packers, led by Bill Parr and Larry Clark, won the tournament with a record containing no losses until they played the faculty.

**BACK ROW:** Jean Hyde, Mary Ellen Tallman, Wendy Booth, Elana Engelking, Sue Kentner, Donna Drendel, Kate O'Keefe, Sara Carter, Julie Nickel; **FRONT ROW:** Linda Kimble, Sandy Patkus, Mrs. McCoy, Susan Clifford, Jane Richard, Sue Scott.

## GIRLS' GOLF

Again under the able supervision of Mrs. McCoy, the girls on the golf team were given the opportunity to improve their game and to engage in competition with other members.

After the girls were divided according to their qualifying scores, they were restricted to matches within their established brackets. The members played the matches on their own time; thus much time and effort were devoted to the maintenance of a substantial team.

## GIRLS' TENNIS

Consisting of more than twenty girls, the girls' tennis team devoted many springtime Tuesday evenings to basic practice sessions. Under the supervision of Mrs. Jones, they attempted to improve their serves and strokes. The members participated in a single elimination tournament, of which the first place winner was Mary Wilson and the second place winner Verna Fernandes.

**BACK ROW:** Mrs. Jones, Bessie Drennan, Lynne Ward, Bonnie Gilbert, Elana Engelking, Cheryl Wall, Lou Lambert, Linda Reid; **MIDDLE ROW:** Linda Kimble, Mary Gartung, Kay Kennedy, Barb Breese, Jean Bennett, Pat Yates, Carolyn Bradford; **FRONT ROW:** Mary Lou Stuart, Sue Rogge, Joan Dorgan, Mary Wilson, Mary Fox, Verna Fernandes, Gloria Owens.

## NATIONAL HONOR SOCIETY

Founded in 1934, the Springfield High School branch of the **National Honor Society** was in 1962 designated as the Edla Nelsh Chapter of the organization. The object of the chapter has been to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote dependability and leadership, and to encourage the development of character in students of Springfield High School. Eligibility for entrance is based upon the student's scholarship, leadership, character, and service. Not more than 15 per cent of the senior class or more than 5 percent of the junior class may be admitted. After being elected to the organization by a special board composed of faculty members, the senior members were honored at the city's Golden Laurel's Banquet held on May 28, and at the school's recognition assembly.

ROW 1: Alanna Whittle, Marygene Schlitt, Sue Suddarth, Judy Hinds, Carla Hodge; ROW 2: Karen Robison, Cindy Ross, Paula Jungkuntz, Sandy Strang, Sue McKibbin, Mary Lou Stuart, Penny Sutphin, Jeanne Londrigan; ROW 3: Carol Niemoeller, Jennifer Holl, Pamela Smith, Carol Raye, Susan Schilsky, Patricia Holiner, Suzanne Williams, Kathy Litchfield; ROW 4: Bob Laurent, Richard May, Jeff Jones, Bill Kastein, Steve Montgomery, Terry Wilson, John Kruszka, Rodney Raker.

Donna,

Oh, what a cute little nut and she sings like a bird.  
I'm sure you'll never lose your beautiful singing voice but  
don't ever lose that sweet personality. As try to start  
walking into choir with the pun in front of me. See? already  
I'm making a good start — look at all the nice things  
I've said about you... ha! Really — I mean all of it.  
I just hope you grow a little taller so we won't have to  
fight about the height of the music stand. Good luck always  
at S.H.S.

Donna,  
To a sweet girl  
who'll never  
forget in history  
class.

Donna, think of it, we  
can't think to we are carrying  
anything of us. Be a girl!  
of any kind if you, so we will girl!  
But - Donna, I'll be a good girl!  
your girl will be a good girl!  
to you have a really  
to jelly, and especially, W.  
you are a cop, I'll be a  
you are a "65"

Donna,  
Best of luck  
in the year  
I hope you get  
with the fellows  
okay.
